

Pre-School Optional Program Enrollment

Optional programs are a way of bringing enrichment activities to Park View Montessori Children, while saving parents valuable time in transporting children to lessons. Professionals in their respective field conduct these programs. Children will be removed from their class on the day the optional program is offered for the time specified. Classes are once a week (4 lessons per month).

Optional programs must be paid in advance the beginning of each month. Parents who have outstanding balances at anytime will not be allowed to enroll in the optional programs. There are no pro rations or refunds once lessons begin.

Your child will continue attending the classes each month unless the office was notified in writing (Prior to the 1st of month) of any cancellations/changes.
